The client:

AND Magazine + AlleyWire

The project: Influential interview series

I was tasked with booking and interviewing leading CEOs, influencers, and political figures. Among dozens of interviews, I sat down with [President Jimmy Carter](#), [Arianna Huffington](#), [Larry King](#), [Jesse Ventura](#), and [Noam Chomsky](#).

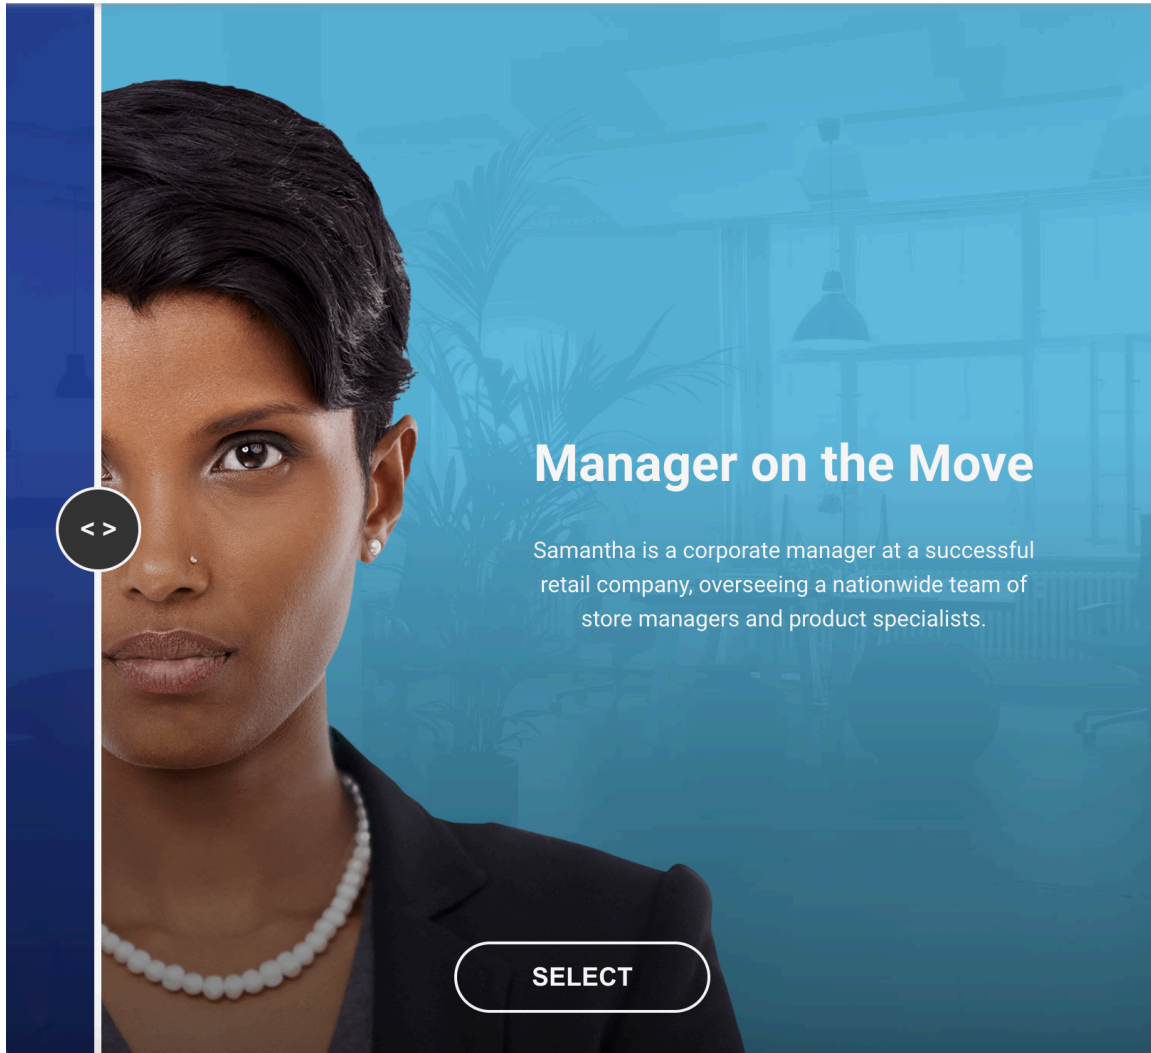

The client:

The Washington Post BrandStudio + Samsung

The project: “Samsung: Work Without Barriers”

Content from **Samsung**

Tasked with developing an original interactive digital campaign for the **Washington Post Creative Group + Samsung**, I crafted an engaging and prominently featured text adventure, highlighting the enterprise benefits of using Samsung’s robust suite of devices and extensions.

The client:

Karma Network

The project: "Hey Gordon!"

[Karam Hinduja](#) (of Hinduja Group) tasked me with creating, starring in, and producing a comedic series pilot that highlights the substantive aspects of the impact investing landscape with a sharp comedic lens. We interviewed notable investors, including [Nikhil Kalghatgi](#) (Hyperloop, SoftBank). The show covered cryptocurrency/blockchain, fintech, venture capital, and marketing. **I co-directed the show's logo/look and feel, led script development, and managed a diverse team of actors, writers, videographers, editors, and designers.**

The client:

Apple Inc. (contracted by Droisys)

The Project: Brand Content Manager

The **Apple Marcom** team brought me aboard to work closely with a multi-disciplinary team of creatives, developers, designers, and public relations experts at the highest level to deliver critical digital assets on tight project deadlines.

The client:

Helium 10

The project: Top Tier Press Campaign

In the Press

CNBC

CNN

The New York Times

REUTERS

Bloomberg

Helium 10, the leading Amazon analytics software provider for Amazon sellers, needed to build a top-tier media presence to match their growth. In less than 12 months, we went from having virtually no media presence to landing prominent features from every major publication (**CNN, CNBC, Bloomberg, Fox Business, The New York Times, Vox, Vice, Forbes**). I wrote press releases covering acquisitions and key executive decisions, coordinating closely with Helium 10's social media and marketing teams for maximum-impact messaging.

Web3 Unpacked

I was responsible for co-creating and co-hosting the [Web3 Unpacked](#) podcast with [Arc](#) CEO and esteemed creative **Rich Pasqua**, covering the world of blockchain, Web3, NFTs, decentralization, and emerging technologies (AI, generative art, LLMs). I guided topics, landed guests, and wrote scripts, structuring critical questions for each episode. I booked industry-leading guests that included **Napster CEO** Jon Vlassopoulos, **Entrepreneur Mag** Editor-in-Chief Jason Feifer, **Metapolis** Co-Founder Sandra Helou, Paul Barron (Paul Barron Network), Ben Armstrong, and Andrew Yang (Forbes 30 Under 30, founder of **Cultos**)

RCGV / River Capital Group Holdings ([RCGV](#) / [RCGH](#))

I wrote and oversaw copy across the RCGV portfolio of companies. This included bios, press releases, website copy, both short and long-form, and social media content creation for Instagram, Facebook, and YouTube.
